Mellon Mays Undergraduate Fellowship (MMUF)
Allison Davis Research Fellowship (ADRF)
Semester Project Proposal

Please meet with your mentors to devise a plan for your MMUF/ADRF work this semester. The fellowships are flexible to allow for a variety of research/academic activities, but you should plan on spending approximately eight hours per week advancing your project, developing your skills, and participating in fellowship group activities.

Please attach a sheet with answers to the following questions:

1. What are your academic goals for this semester? Are there any particular skills you hope to develop? How will your coursework and other activities advance those goals? Please list your courses for the semester.

2. Describe the purpose of your research. What is your central research question? Describe the methodology you will use to answer your question? What written work will you produce? Include a list of sources you intend to use this semester.

3. Describe a plan for regular meetings (or, if abroad, for staying in contact) with your mentor. How can your mentor be most helpful to you this semester?
